

April 2022

RESCUE ONE

FUR THE RECORD

WE THANK YOU!

April is volunteer appreciation month and we are incredibly fortunate to have the most amazing, caring and dedicated team of volunteers and foster parents. The passion each of you bring to giving animals a second chance has changed so many lives. The nature of our mission is always urgent and I know the constant postings asking for more help is overwhelming. I know these posts are important but so are your foster updates. Whether your struggles or progress, you reach and inspire others who may be facing the same issues. It is important that we all stay positive and encourage one another without judgement. Everyone in this group joined to help animals and I realize in an organization of this size, it may feel hard to find your place or feel appreciated. No matter the role you have in this rescue, you are making a difference.

I personally want to thank each and every one of you for being part of the Rescue One team. Over the years, there have been a lot of changes and growth and we are working hard to accommodate that and make it easier to be involved. We are a constant work in progress but one thing is for sure, Rescue One would not exist without our fosters and volunteers! I hope to see you all at the appreciation BBQ and enjoy some good food, games, and good company.

March Impact

Intakes
258

Adoptions
95

Transports
64

Other- 68 community cats were released or placed in barn homes.

APRIL

REMINDER

It is a requirement that all Rescue One members complete a minimum of 3 volunteer hours per month. Please fill out your volunteer hours at:

https://docs.google.com/forms/d/e/1FAIpQLScBPpa7aZTaogec16SvHrWWIZkITnVcp9jR_UCzQ3JfKhCCMbA/viewform

2021 Financial Summary

2021 INCOME: \$1,165,827

Our income increased by 26% from 2020. As you can see, our fundraisers are very important and account for 39% of our income. We hope these continue to grow so we can help even more homeless pets. This year we will be applying for more grants and fundraising for our capital campaign for the new building that is starting soon. We are also hoping to increase the number of vaccine clinics for more revenue.

2021 EXPENSES: \$864,533

Our expenses increased 19% from 2020. Before opening our clinic, we were spending over \$500,000 per year on vetting with an average of 1250 animals. 48% of our expenses are now spent at our own veterinary clinic which has allowed us to greatly increase our emergency rescues and see an average of 2250 animals per year (2020 & 2021). 22% of our expenses were used at specialty veterinarians and outreach spay and neuter.

Clinic Information

1948 B. S. Glenstone
417-814-3193

Hours of Operation

Monday - Thursday

7:15 a.m - 5:30 p.m

Friday 8:00 a.m - 12:00 p.m

For non emergency questions or refills,
please email us at rescueoneclinic@gmail.com.

For daytime emergencies or to schedule an
appointment, please call us at 417-814-3193.

OPERATION CATSNIP WAS A SUCCESS!

Last month the clinic dedicated a WHOLE WEEK to trapping and spaying and neutering community cats. In total we were able to help 102 cats! With kitten season quickly approaching, we felt a huge need to do this project and we will continue to alter as many as we can as space and time allows.

New PRN Staff Veterinarian

We are excited to announce we have a new member to the team! Dr. Rankin will be helping cover Dr. Keisker-Boessen's maternity leave and to help with surgeries and additional coverage when needed as her schedule allows. She is a 2018 graduate and currently also works at the Emergency Veterinary Clinic.

Important Reminder:

We are having a huge issue with fosters not picking up their monthly preventatives. Your foster must take their preventative every month for several reasons. Not only do they need it to stay free of fleas and ticks, it also protects them against heartworms. Skipping doses also requires your foster to come back in to the clinic to be re-tested. The preventatives are provided by Rescue One and are not optional.

We need foster homes!

PLEASE CONSIDER FOSTERING ONE OF THESE PETS.

SENATOR

3 year old Bull Terrier mix

Senator is a pup for parole graduate and knows a lot of commands. He is house broken and needs to be an only pet. He loves people and to cuddle! Please foster him!

SLIM

5 year old cat

Slim is currently living at the clinic. He is a very sweet boy who loves attention. He is litter boxed trained and eats at special food for his kidneys. He is FELV positive.

AUDI

1 year old Terrier mix

Audi is a pup for parole graduate and is good with other dogs. He is a very large boy and loves people. He is housebroken. He needs a foster with a fenced yard or takes on multiple walks daily.

Sneak Peek.....

We have a few renderings to use for our capital campaign and here is one of the outdoor play yards. The play yards will provide much needed time outdoors and exercise for the dogs waiting for foster homes.

OFFICE & CLINIC VOLUNTEER OPPORTUNITIES

These opportunities are daily during operating hours.

DOG WALKING

We almost always have dogs in boarding that need walked. The dog must be kept on a leash and walking with no children is preferred.

LAUNDRY

The clinic and office are always in need of help with laundry! You can stop by either location anytime during open hours and pick up a bag to take home with you.

CAT CUDDLES

There are a lot of cats at the clinic that would love some special attention! Come by and give them some love and scratches! Children allowed with supervision.

Special Volunteer Opportunities

EVENTS TEAM

We are looking to add new members to our events team! Please contact Rachel Weiner at rachelweiner1@gmail.com to join.

T-N-R TRAPPING TEAM

Kitten season is coming! Colby is looking for help on the TNR team. This involves setting traps and transporting cats. Please contact Colby Hodges at rescueonetnr@gmail.com or more information.
