

MARCH 2021

RESCUE ONE

FUR THE RECORD

A MONTHLY NEWSLETTER FOR FOSTERS AND VOLUNTEERS.

BOOP ME
I'M IRISH

Another busy month has passed and we are hoping March brings some slower days for us. Intakes are up 11% from this time last year and to help with the increased need, we have been doing more transports to northern rescues. We want to thank everyone for stepping up and answer the calls for help during this busier than usual time. We have also been busy working on our future plans. A generous donor has pledged to donate \$75,000 towards the purchase of land and we are looking at a promising property this week. We will post updates along the way as there are new developments with the project.

I also want to thank everyone for helping promote and sell tickets for the car raffle. We sold out earlier than previous years and were able to raise over \$55,000 for homeless pets! It was a great way to start our year of fundraising and we hope we have your support in promoting our upcoming Give Ozarks and Canine Classic events.

JOB OPENING

Rescue One has a position open for a foster and volunteer coordinator. Please see the job posting on the Rescue One public Facebook page and email your resume to rescueoneinfo@gmail.com if you are interested.

NEW TRANSPORT VAN

Due to the increased number of transports we are doing, we felt a more reliable van was in order! Last week we got a great deal on a 2019 Ford Transit with 27,000 miles. The old van will now be used by the trapping team.

Please spread the word that we have sponsorships available for our upcoming Canine Classic! If you know a business that would be interested in sponsoring, please have them email us at rescueoneinfo@gmail.com!

IMPORTANT REMINDERS

It is a requirement that all Rescue One volunteers complete a minimum of 3 hours per month. If there is an extenuating circumstance, please contact your volunteer rep. Active fosters do not need to do volunteer hours but do need to fill out the form. Here is the link:

<https://docs.google.com/forms/d/e/1FAIpQLScBP7aZTaogec16SvHrWWIZkITnVcp9jR UCzQ3JfKhCCMbA/viewform>

Fosters, please remember to schedule your vetting appointments and submit bios for your fosters in a timely manner. Bio and pictures need to be sent to rescueonebios@gmail.com. Outside pictures usually work best to help get your foster adopted.

You must check in with Kristen at the office for information about dogs in boarding who need walks or socialization.

We have mental stimulation toys at the office for fosters to borrow. Please ask Kristen for assistance.

Fosters - please contact the applicant as soon as you receive approval from Michele. Keep her updated on when meet and greets are scheduled and adoptions. This is very important and is a requirement to foster.

The employees have made themselves very available to fosters and volunteers outside of their working hours. We are at the point where boundaries and common courtesy have to be implemented. Effective immediately, unless it is an absolute emergency, please do not contact clinic or office staff after 5:30pm. If you have a question about your fosters health, incision site, etc, after hours and it is not an emergency, please send an email to the clinic at rescueoneclinic@gmail.com or wait until 8am. Extreme lethargy or injuries that will not stop bleeding are a couple of examples that would constitute an emergency. If this is happening (or other similar situations that require emergency care, feel free to post in group and an employee or board member will be tagged and decide what is needed. (If you are contacted first by any of the employees listed above after hours, it is appropriate to respond.) We have a great team and burnout is very common in rescue. Please respect their families and free time. Thank you for your cooperation and thank you to all of the employees who have been working overtime to be accommodating in your off time.

We need foster homes!

PLEASE CONSIDER FOSTERING ONE OF THESE HARDER TO PLACE PETS.

VACA

2 year old Terrier mix

Vaca was found as a stray and has been in the emergency kennels ever since. He is a very friendly boy who craves attention from humans. We are unsure how he is with other dogs at this time.

MEGA MAN

1 year old Boxer mix

Mega is currently in boarding and would love to come stay at your house! He is a very good boy who is good with most other dogs but needs proper introductions. He is fully vetted.

ALDI

2-3 year old Terrier mix

Aldi is looking for a foster home with no other dogs or cats. She is housebroken, active, and very sweet. She would do best with a privacy fenced yard OR someone who runs or walks a lot.

AXTON

3 year old Terrier mix

Axton is looking for a foster home to help him work on his confidence. He would do best in a home with no small children or other pets. He can co exist with other dogs with proper introductions but can be uncomfortable around them.

COLOSSUS

4 year old

Colossus is such a sweet cat who loves to be around people. He had surgery on one of his eyes so it is a little smaller than the other. He is fully vetted and is also FIV positive. This means he needs to go to a foster with no other cats or only FIV cats.

KINGSLEY

3 years old

Who needs an amazingly fluffy, sweet cat in their life? Kingsley is a sweet cat who is fully vetted. He was living in a storm drain in Ozark with other cats. We got a report he was injured so he was brought into the clinic. He loves wet food and attention.

OFFICE & CLINIC VOLUNTEER OPPORTUNITIES

These opportunities are daily during operating hours.

DOG WALKING

We almost always have dogs in boarding that need walked. Exercise is important for their physical and mental health and is greatly appreciated. The dog must be kept on a leash and walking with no children is preferred.

LAUNDRY

The clinic and office are always in need of help with laundry! You can stop by the office anytime during open hours and pick up a bag to take home with you. The clinic always needs help with washing and folding during open hours.

CLEANING

Have some free time? Stop by the office or clinic and help clean! There is always something to do, donations to put away, or kennels to be cleaned. No sign up is needed and any amount of time is appreciated.

KITTEN SOCIALIZATION

There are two kitten rooms at the clinic that are usually filled with kittens that need socialized or attention. Some are semi feral and need patience. Please check with the clinic before bringing children. No sign up is needed, just come by anytime between 10a-5p.
