## ABOUT RESCUE ONE

Rescue one is a licensed, no kill rescue helping animals in Southwest Missouri. Animals in our care are spayed or neutered, receive all appropriate veterinary care, and placed into nurturing foster homes while they wait for their permanent homes. We rescue animals in need without regard to age, breed or ease of placement. Our goal is to not only rescue but to also educate the public on responsible pet ownership.

### MISSION

Rescue One strives to rescue abused, neglected and homeless animals and place them in loving homes. Rescue One is a 100% non-profit organization run entirely by dedicated volunteers who offer their time and resources to house, train, transport and care for the animals in our care.

### REACH US

At this time, all of Rescue One's correspondence is conducted via email. Please send your inquiry, request or applications to [rescueonespringfield@gmail.com](mailto:rescueonespringfield@gmail.com) or use our online Contact form.
